Infectious
disease control

Please check your temperature
at the entrance.

Everyone must check his or her temperature
before entering to detect an infection.
*We cannot permit the entry of people with
a fever at or over 37.5 degrees.

Sanitary lotion located at
each entrance

Please sanitize your hands with the lotion
whenever you enter the clubhouse,
restaurants, and competition rooms.
Please wash your hands and gangle in
restrooms.

All our staff members are
required to wear masks.

All our staff members are required to always
wear masks in order to prevent infection.
We suggest our guests to wear masks to
avoid infection.

Air purification is in effect.

Acidic electrolyzed water is sprayed in
the restaurants, private rooms, and
reception areas.
We also ventilate our facilities regularly.

Photocatalyst coating
for sanitization

We have applied photocatalyst
coating on each surface that can
be touched by guests
